ABOUT US

Combined Warehouse Co. Inc. is a family owned and operated full service warehouse. We have been servicing the Chicago land area since 1978. Our full time staff is knowledgeable and well trained in all areas of distribution and warehousing. We are available to respond to your requests, resolve immediate concerns, investigate more effective alternatives and recommend creative solutions to help lower your warehousing costs.

Our strategic locations along with our fully automated warehouse management system provide our staff the tools required to fulfill all links along the supply chain. We have created a single source distribution warehouse in Chicago which gives you the opportunity to focus on your company's core business.

Let Combined Warehouse Co. Inc. and its years of experience along with 1.5 million Square Feet of buildings be your single source warehousing and distribution provider in Chicago.

MISSION STATEMENT

Combined Warehouse's mission is to provide practical convenient and cost effective warehousing distribution and material handling services to our customers.
